RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

The Defendant Has Violated the Following Conditions:

The defendant has acknowledged during meetings with the Probation Officer that she has committed the following violations.

While on Probation, the defendant shall not commit another Federal, state, or local crime and shall not illegally possess a firearm, ammunition, or destructive device.

In a monthly report form certified by the defendant on July 7, 2005, the defendant made a false statement in violation of 18 USC 1001, by falsely indicating she was unemployed and that her only income during the past month was from government benefits and gifts from another person. In fact, during June of 2005, the defendant actually was working and had additional income from her job.

The defendant shall pay restitution in the amount of \$1,931.25.

Ms. Grandberry has violated this condition by not making a good faith effort to pay restitution to the best of her ability. Ms. Grandberry has had some ability to make regular monthly restitution payments of at least \$25.00, but has failed to do so.

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

The original two (2) year term of Probation which commenced on September 19, 2005, shall be extended by an additional six (6) months so that Probation will continue until March 18, 2006.

The original conditions of Probation are modified by requiring additional Special Conditions:

1. The defendant shall seek and maintain full time employment.
2. The defendant will pay \$50 monthly towards restitution.
3. The defendant shall serve three (3) months in a halfway house or community correction center as directed by the Probation Officer.
4. The defendant shall participate and complete as directed by the Probation Officer in a program approved by the Probation Officer for mental health evaluation, counseling and treatment.
